In the spirit of staying connected

The Community Relations Office and community volunteers would like to wish the class of 2009 all the best for their coming exams. For those families whose time at Tintern or Southwood is drawing to a close, we thank you for your contribution and participation to our community over the years. We look forward to welcoming you to future community and School events.

Help needed for the Second Hand Book Sale

Parent volunteers from the Tintern and Southwood Community co-ordinate a Second hand Book Sale every year as a service to the Tintern Schools' Community. The Second hand Book Sale allows families to purchase second hand books and to sell current text books. A commission of 10% is levied on books sold and the proceeds donated back to the School for the purchase of class sets. Those parents who volunteer at least 3 hours of their time to help with the processing and collation of orders will be given priority orders. Year 11 students looking to boost their community hours may also volunteer. If you are able to help between Thursday 26 November and Tuesday 1 December during School hours please contact the Community Relations Office on 9845 7877 or email development@tinternschools.vic.edu.au.

All families should receive their 2010 book list packs in the mail before November 13.

Second Hand Book Sale needs strong plastic bags

If you have any spare strong plastic bags lying around at home please drop them into Kennedy Cottage at Tintern so they can be used to pack the Second hand book orders.

2009 Garden Tour

Old School Ties

Our Alumni groups have been busy recruiting!! On Thursday 8 October past students Naomi Baulch (YG91) and Cathy Davidson (YG91) spoke to the class of 2009 in a special assembly highlighting the importance and benefits of staying connected with your school. Similarly Aaron DeLacy (YG06) from SOBA addressed the boys at their year 12 breakfast. Both groups managed to successfully engage and sign up members for next year. Please encourage your Year 12 child to join up with their respective 'Old Grammarians' and stay connected for years to come.
